

High-flying 3in1 adventure awaits in the air

Kids get 3 build-and-play experiences in this LEGO® Creator 3in1 set. Choose a plane with propeller, jet plane or helicopter.

3 times the aviator action with LEGO® bricks

Young aircraft fans can choose 1 of 3 models to build and play out sky-high adventures. Then they can rebuild for more fun!

LEGO® Creator 3in1 Propeller Plane

Spinning propeller in flight

The propeller and adjustable wing tips add role-play fun.

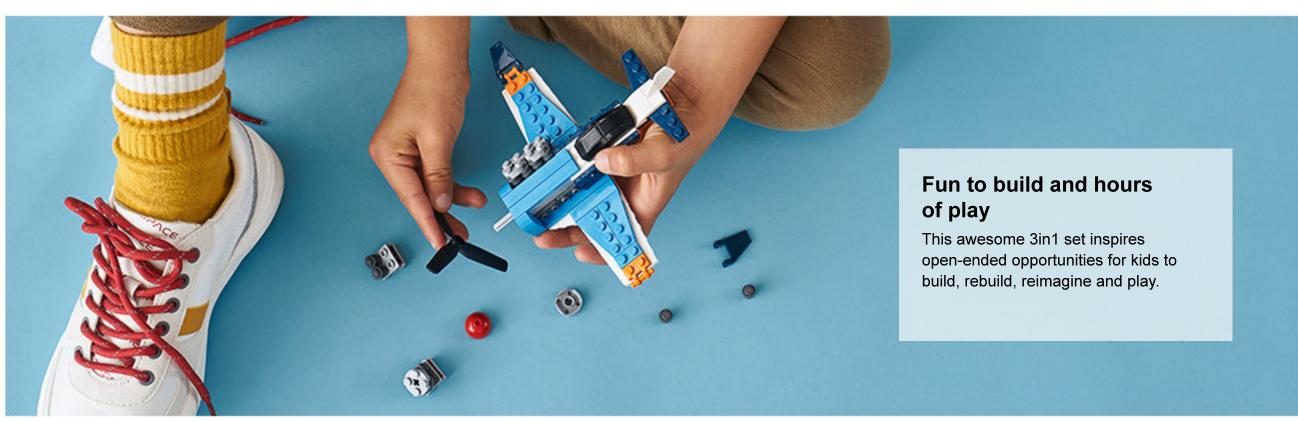

Detailed, portable jet

Sleek jet plane, ready for adventure wherever kids go.

Sturdy helicopter and pad

Young pilots can stretch their imaginations to new heights.

3 different building options in 1 set

Kids can enjoy a rewarding building experience as they create a propeller plane, jet plane or helicopter with landing pad.
