

**Inspire caring, empathetic role-play**

Let kids act out healthcare roles to discover the reward of caring for others with this brick-built hospital and ambulance.

**Fun hospital construction playset**

Two-story, multi-room hospital with a separate drivable ambulance for kids who love looking after others.

VIDEO

**LEGO® Friends Heartlake City Hospital**

**Clumsy caper**

Banana provides a light-hearted accident scenario.

**Integrated play**

Rescue stretcher slides smoothly into ambulance.

**Authentic scenarios**

From X-ray to recovery room, narrative reflects real life.

**Many parts to play**

Kids can be the patient, doctor or the visitor.

**Fab features**

Kids will get in a spin for this neat wheelchair.

**Clever accessories**

Patient's hair is swapped for a cool click-on bandage.

**Includes Emma, Ethan and Dr. Maria mini-dolls**

Plus bandages, chocolate, banana, foliage elements, medical instruments and many more accessories.
