LEGO® Friends Andrea's Play Cube

Big fun in a small space

Included elements make performance play come to life!

Cool case

Kids can decorate the case with the included stickers.

Secret surprise

Only opening the cube reveals which mystery pet is inside.

Easy build so the play starts straightaway

Construction is super-simple so the performance role-play fun can get underway in minutes!

Let kids connect in a fun, flexible way!

Cubes join and stack, and as they're small and portable, kids can take them to a friend's house to create a cool collective.
