

Super X-wing Fighter™ construction playset

A cool, missile-shooting, LEGO® brick model of Poe Dameron's X-wing Fighter from *Star Wars: The Rise of Skywalker*.

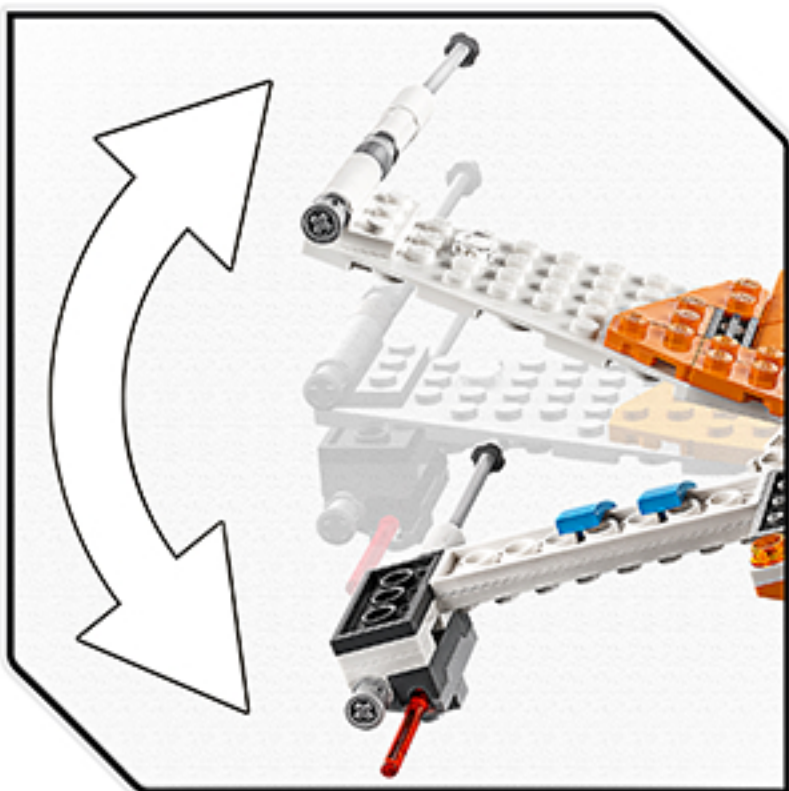

Buildable model for solo or group play

Kids can role-play as a Resistance hero piloting an iconic Starfighter and create epic Resistance vs. First Order battles.

LEGO® Star Wars™ Poe Dameron's X-wing Fighter™

Cruise and attack modes

Wings are adjustable for different storytelling scenarios.

Flight mode switch

Wing positions are easily changed at the touch of a button.

R2-D2 on board!

The lovable droid can join every playtime mission.

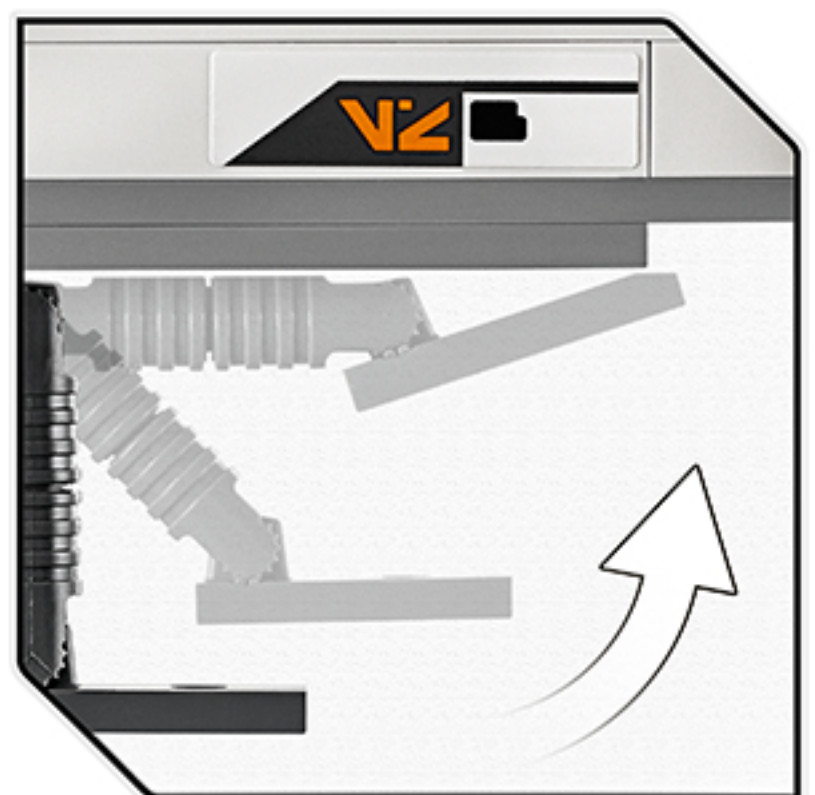

Spring-loaded shooters

This X-wing Fighter is built for battle play.

Stud-shooting action

Kids can also target enemies with the stud shooters.

Retractable landing gear

Yet another cool detail to inspire play.

Includes 3 LEGO® Star Wars™ minifigures

Poe Dameron with a blaster pistol, Jannah with a bowcaster and Knight of Ren with a scythe, plus an R2-D2 droid.
