LEGO® Friends Mia's Play Cube

Big fun in a small space

Included elements make the animal care play come to life!

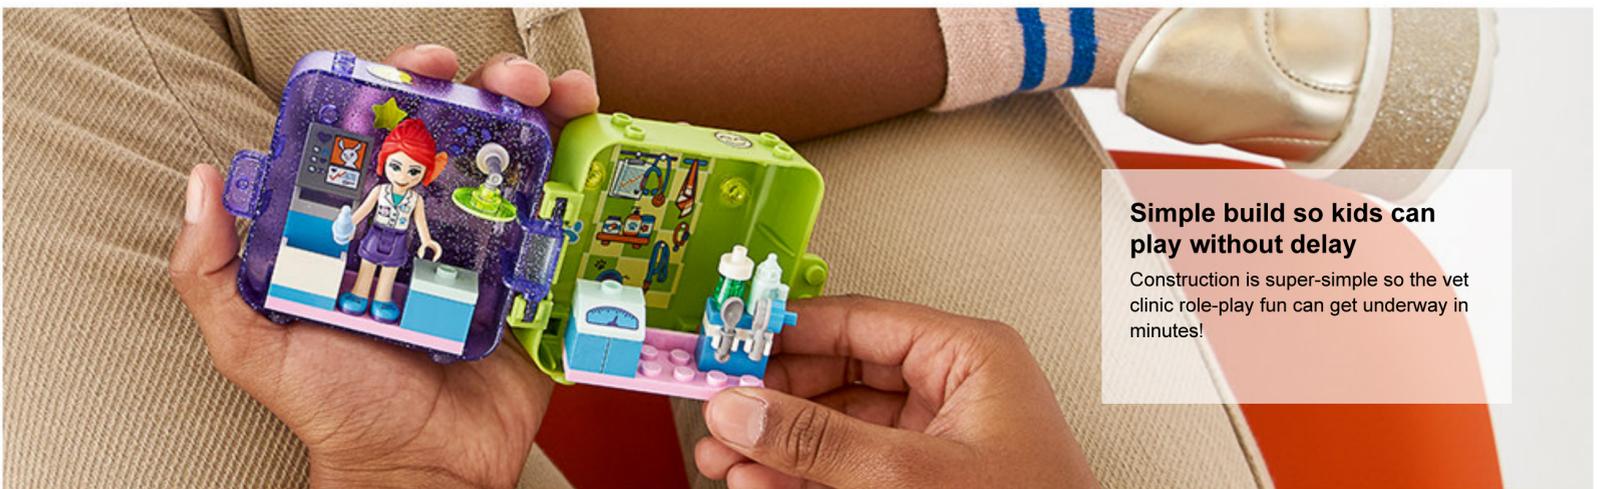

Cool case

Kids can decorate their cube with the included stickers.

Secret surprise

Only opening the cube reveals which mystery pet is inside.

Simple build so kids can play without delay

Construction is super-simple so the vet clinic role-play fun can get underway in minutes!

Let kids connect in a fun, flexible way!

Cubes join and stack, and as they're small and portable, kids can take them to a friend's house to create a cool collective.
