

**Fly into the future with LEGO® Hidden Side**

A new way to play with LEGO® toys by combining a LEGO model with an app for an amazing augmented-reality (AR) play experience.

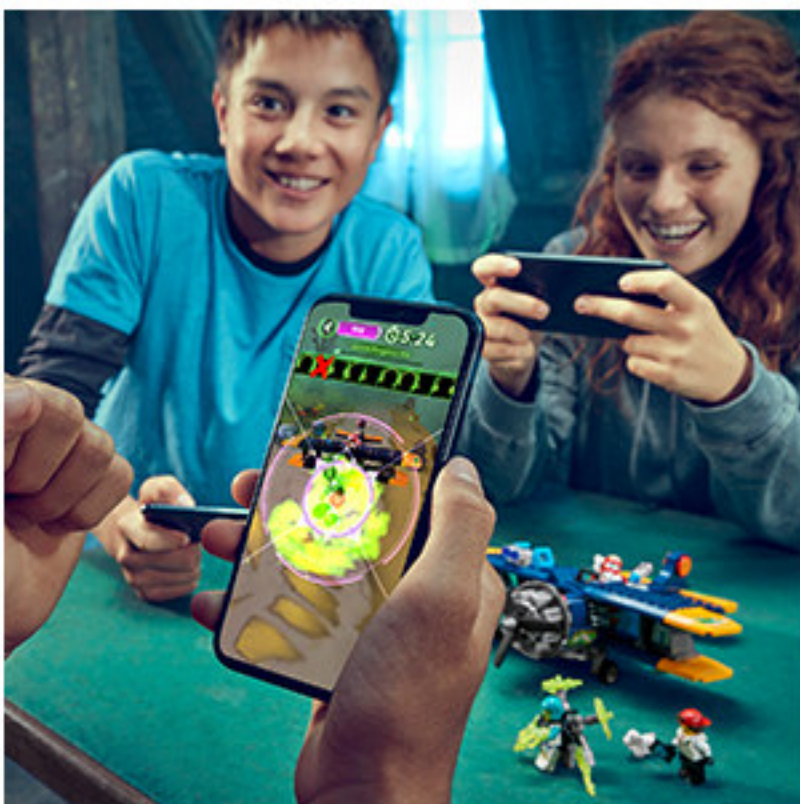

**A playset filled with ghost-hunting action**

This stunt plane reveals a ghostly digital world when viewed with a smart device equipped with the free Hidden Side AR app.

**LEGO® Hidden Side El Fuego's Stunt Plane**

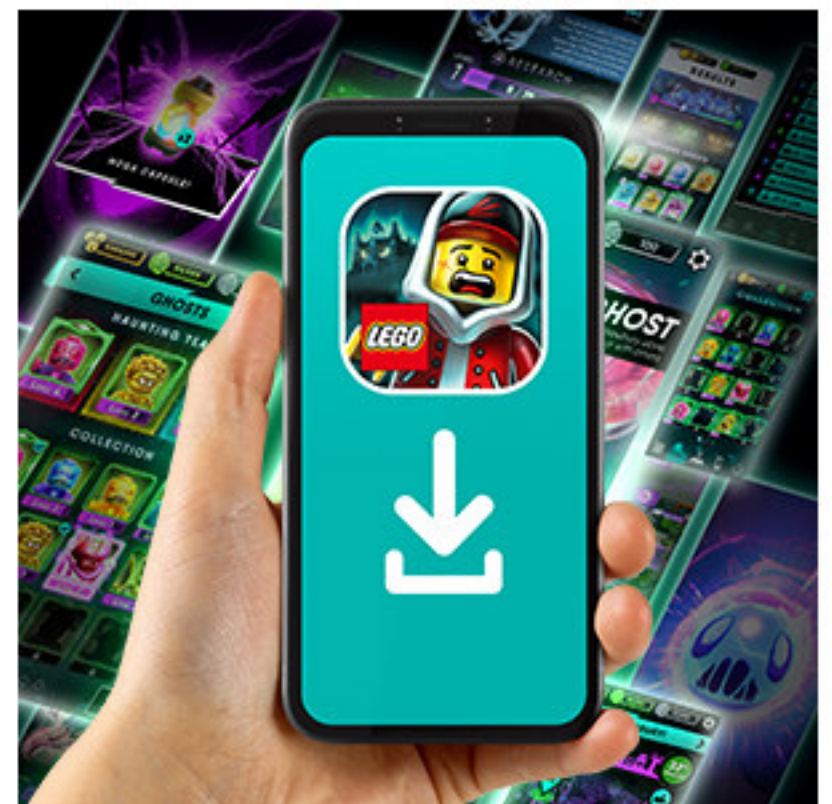

**Play with friends and family**

Players compete in an action-packed digital world.

**Building starts the fun**

Digital play experience starts right after the fun build.

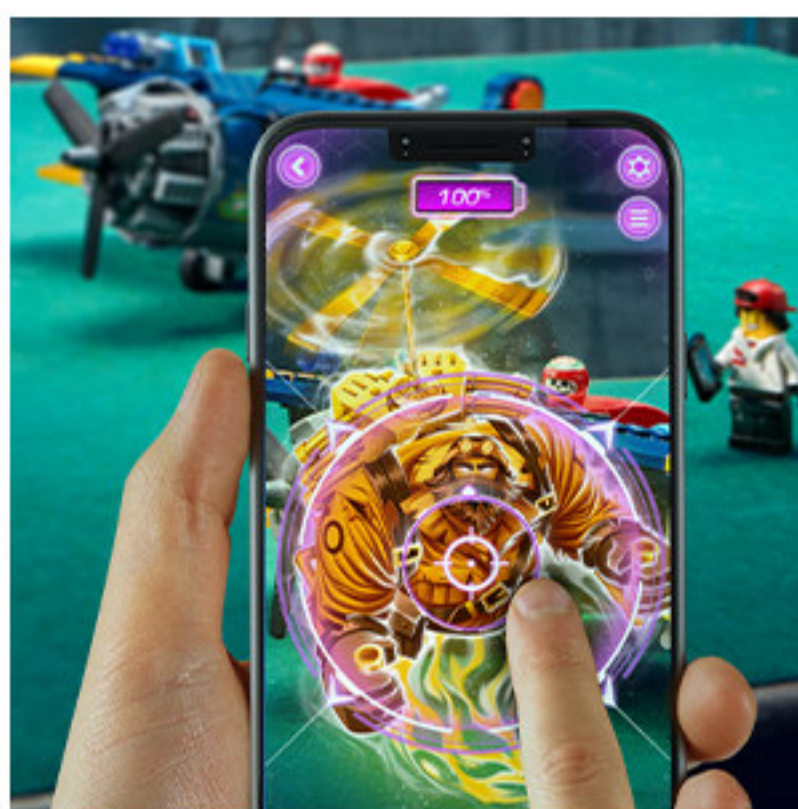

**LEGO® play in a digital world**

Get the free Hidden Side AR app for iOS and Android.

**Hands-on digital play**

Interaction with the model triggers events in the app.

**Can you beat the boss ghost?**

Test out your skills against powerful boss ghost Harry Cane.

**Hunt and collect the ghosts**

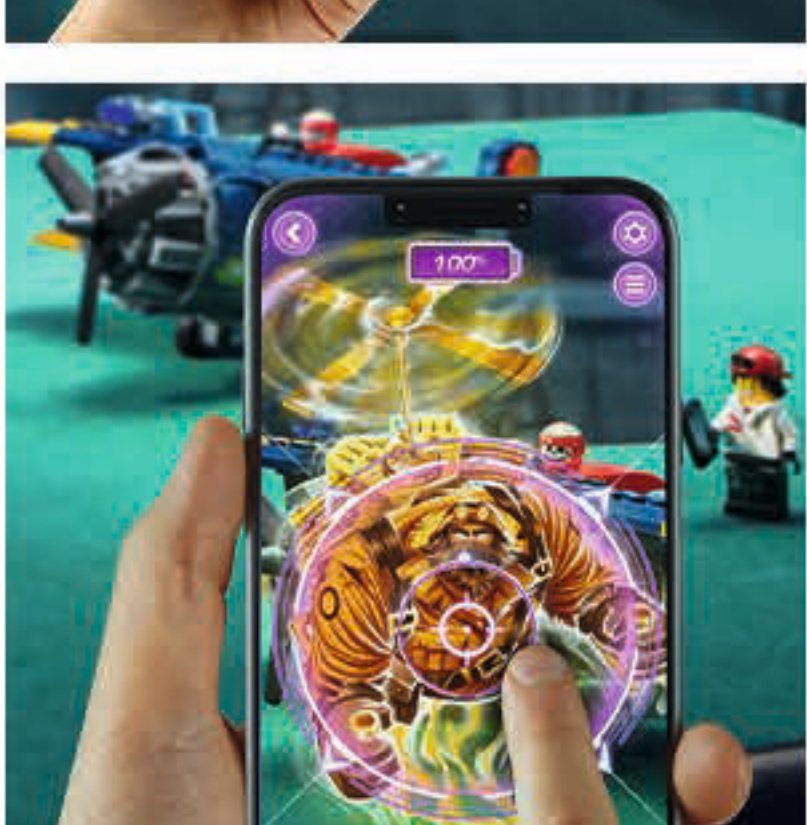

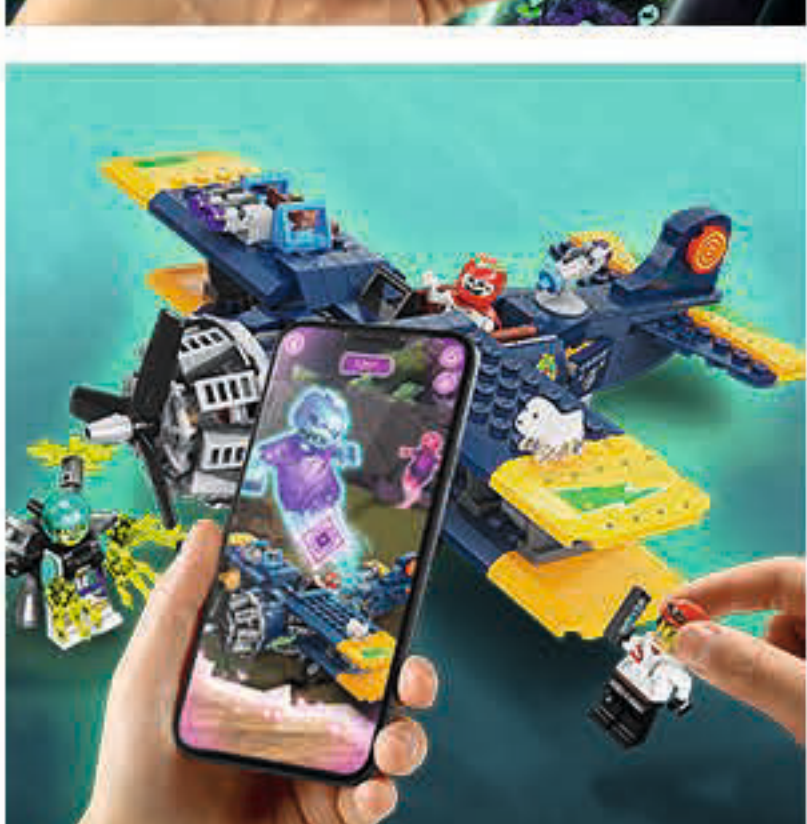

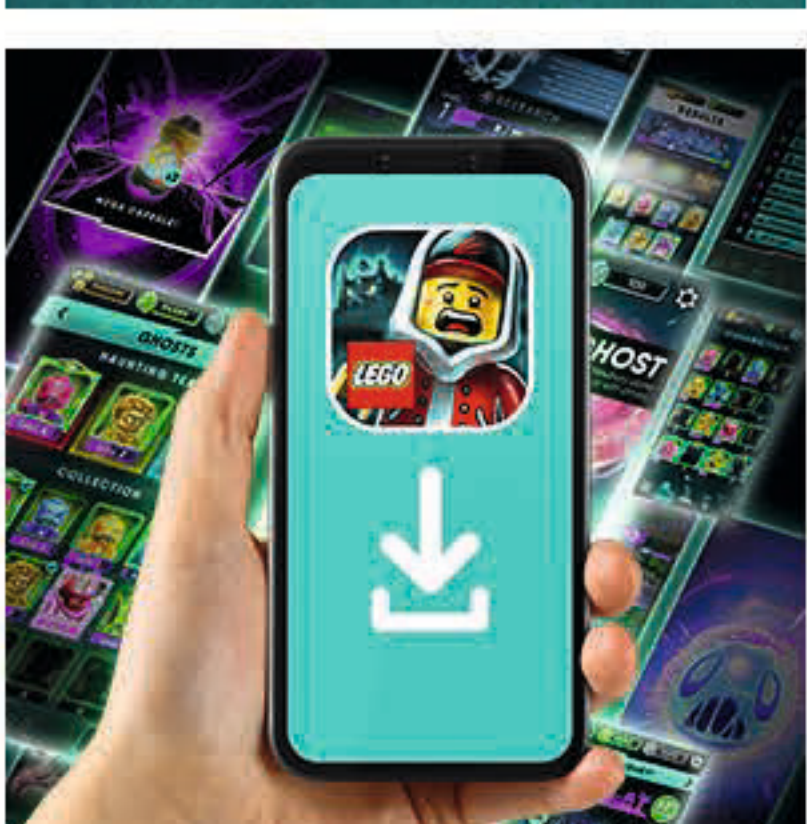

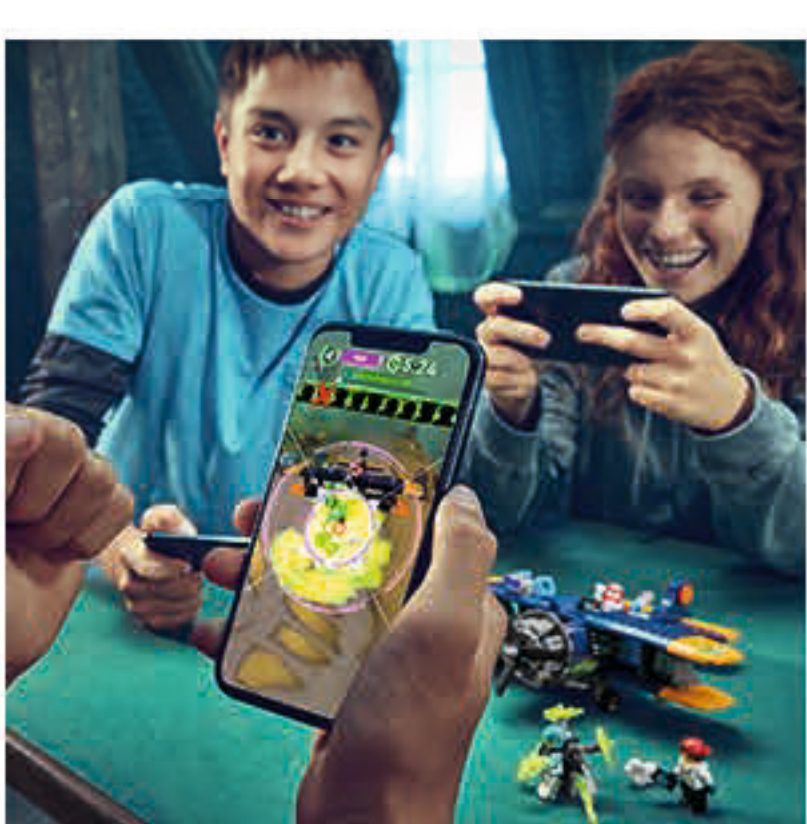

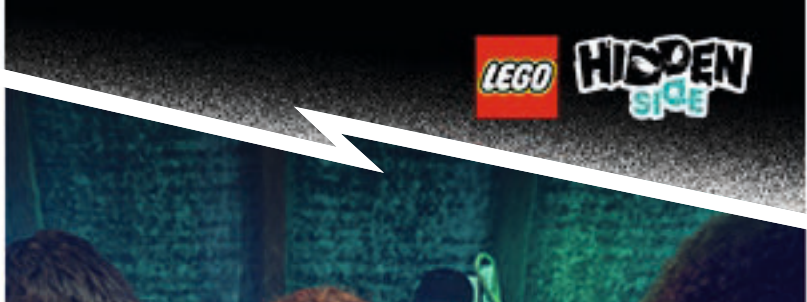

Kids hunt and capture ghosts for later use in the game.

**A ghostly character lineup**

Includes El Fuego, Jack and Mary Breaksom minifigures, plus a Spencer the dog figure, possessed-head element and accessories.
